

# Optimised Computing

## Roundtable Event

29th September 2010

Bell Micro, Fountain Court  
Cox Lane, Chessington  
Surrey, KT9 1SJ

Would you please accept this personal invitation to join me, Ivan Greenaway, IBM and a number of leading edge business partners at this unique interactive Technology Roundtable event which is to be held on the morning of Wednesday 29th September in Chessington for what will be a distinctive and rewarding occasion. Organised for businesses who are asked to tighten their budgets whilst still required to deliver contemporary solutions.
